Organization Overview:

The Levitt Foundation realizes its mission of *community through music* through two main programs: permanent outdoor Levitt music venues and the Levitt AMP [Your City] Grant Awards, an annual grants competition. In 2018, nearly 500 free Levitt concerts took place in 26 towns and cities across America, serving more than 700,000 people.

Permanent Levitt venues are located in cities as diverse as Los Angeles; Denver; Dayton, Ohio; Westport, Connecticut; Bethlehem, Pennsylvania; Memphis; and Arlington, Texas. With the exception of Levitt Pavilion Los Angeles, each permanent Levitt venue is programmed, managed and supported by its own 501(c)(3) Friends of Levitt nonprofit organization, presenting 50 free concerts every year. Due to accelerating interest from cities and engaged citizens, the Levitt network is growing. Developing Levitt locations across the country include Sioux Falls, S.D. (opening 2019) and Houston (opening 2021), amongst other cities.

In 2018, 15 small- to mid-sized towns and cities presented free Levitt concerts through the Levitt AMP Music Series. 2018 locations included Chattanooga, Tenn.; Sheboygan, Wis.; Utica, N.Y.; Carson City, Nev.; and Middlesboro, Ky., to name a few. Each 2018 Levitt AMP winner presented 10 free concerts in a reimagined public space. 2019 Levitt AMP Grant Award winners will be announced December 18, 2018.

All Levitt concerts feature acclaimed, emerging talent to seasoned, award-winning artists in a broad range of music genres. Levitt's family-friendly vibe and open green spaces attract people of all ages and backgrounds. Friends, neighbors, as well as those whose paths might not cross otherwise, gather to relax on the lawn or dance to the music. As an example of the high caliber talent presented across the Levitt network, the 2018 GRAMMY nominees included 15 artists who have performed on Levitt stages in recent years.
