

Outdoor Concerts and Accessible Event Planning Resource Guide

Thank you so much for your participation! I would love to support you in making your events more accessible and inclusive for everybody. Here are some of the services that I offer:

- **Accessibility consulting and reports (virtual; in-person)**
- **Designing accessible spaces (Inclusion Zones; Listening Lounges)**
- **Inclusion Training or customized training opportunities for your event staff and volunteers**

Please feel free to reach out to schedule a free 30-minute consultation, where I would be happy to answer any questions that you may have about the training or about next steps in designing your accessible events.
